

**Lucius Caviola**

*Department of Experimental Psychology  
University of Oxford, Oxford, UK*

### **Biography**

**Lucius Caviola** is an MSc student in the Department of Experimental Psychology. He received his BSc from the University of Basel. His research focuses on questions at the intersection of psychology, rationality and ethics. By combining research on heuristics and biases with moral psychology, Lucius aims to identify cognitive biases in moral decision-making and examine their underlying cognitive mechanisms.
